

SPONSORSHIP INFORMATION

Carson Youth Programs welcomes sponsors of all kinds. We offer several options for individuals or businesses to participate in the funding of Cap City Baseball, a division of Carson Youth Programs, Inc., a 501(c)(3) tax exempt non-profit association without stock.

FOUNDATION

Part of the biggest hurdle in maintaining efficient and economical baseball are the ongoing facility use fees. It is our goal to locate and maintain facilities for our athletes, but it takes community support and funds. We are currently in the process of negotiating with a couple entities, but any assistance on this level will need to be emailed directly to capcitynv@gmail.com.

PROGRAM

Sponsorship dollars are spread across the program to assist with facility use fees, assist with tournament fees, insurance fees, and other costs that are attributable to all teams and athletes.
